ROBBINS & MILLER. LIGHTNING RODS.

IGHTNING RODS! S. F. CROSS & CO.,

CANTON, O., Have, for the past ten years, been engaged in erecting Lightning Rods to the entire satisfaction of their many customers. We are now engaged in the business more earnessly and successfully than ever, and we respectfully call public attention to

STAR GALVANIZED LIGHT-

NING ROD!

Which is superior to any in use, It is made from Magnetic Iron, manufactured for our company only, iths square grooved, spiral twisted and galvanized and connected with pure copper couplings readering it equal to a Copper Rod, the whole surmounted with a Gold-plated Chester Point of Pure Copper, thus form ing a continuous Rod from the Point to the ground, and by a combination of metals forming a Galvanic Battery in the Our Star Galvanized Rod is warranted

always to remain bright and clean, and never corrode or rust, thus presenting a neat ornamental appearance on the building worth more than its cost at a matter of or nament, say nothing about its sure protection against lightning.

More than two million feet have been old annually for the last five years in al parts of the country, and notwithstand ing we have constantly offered five hun dred dollars to any person who would show that any building injured by light-ning with our Star Gaivanized Rods properly and scientifically erected thereon, not one accident has been reported to us. We continue to offer the above resudden and severe colds as is that of New England

The price is so trivial compared with those who once obtain it, and give it a fair trial, will not thereafter be willing to be without it. A VALUABLE MEDICINE, - Dr. Poland's White that it is manifestly to the interest of a Pine Compound, advertised in our columns, is a sucersons to have them. Unlike unything cessful attempt to combine and apply the medicinal ise, these conductors last for generations virtues of the White Pine bark. It has been thor-Why delay so important a matter when a lew dollars invested in our Star Galvan-ized Rod will place you and your prop-erty and family out of danger as long as the building stands.

Or will you delay until the crash of oughly tested by people in this city and vicinity, and the proprieter has testimonials to its value from possons well known to our citizens. We recommend its trial in all those cases of disease jo which it is adapted. It is for sale by all our druggists. — N. Y. Independent,
The White Pine Compound is now sold in every proken thunderbolts and the vivid burn ings of fieroe lightning awakes you to the necessity of this useful means of protecpart of the United States and British Provinces.

ning Rods with the same capper plated points and the same insulator. Our glass insulator is a decided improvement upon anything of the kind ever used. I has discharging points to relieve the rods when over-charged, and thus prevent an explosion. All orders left at the corner of Cherr, and Eighth streets, near the New Depo or by letter, will receive prompt attention S. F. CROSS & CO. Canton, O., June 10, 1868-tf.
